Maintenance Notes & Updates

Hopefully everyone had a great Thanksgiving with family and friends!!!

Please remember that many laundry detergents and fabric softeners are concentrated now. If using a liquid, please only fill up to the fill-line. Any excess builds up and becomes an unnecessary hassle to clean.

Project update: Village 4 roof replacement is going very well. It has been taking a couple weeks per wing. So that puts the finish date near the first of the new year. Painting has begun in Wing 401 and new gutters will soon follow as each wing is completed.

If you have an emergency or urgent request, please call maintenance right away. If it's after hours, please contact AFEV security so that our standby person can make the necessary repairs. Any routine work or honey-do's, please put in the work request box at your corresponding village.

[Adopt-A-Wing Info:](#) Any wings that don't have a set date will get an alert when the date is set up.
